Sir:

It is respectfully requested that a Certificate of Correction be issued for the above-identified patent, in accordance with 37 C.F.R. §1.322. This request is made in order to correct the mistake of the United States Patent and Trademark Office in printing the statement regarding a Terminal Disclaimer on the face page of this patent. **No Terminal Disclaimer was filed during the prosecution of this patent application. We believe the printing of this statement is misleading in that it is usually only printed on patents where an actual Terminal Disclaimer has been filed during prosecution.**

The mistakes appearing in the patent are set forth on the Certificate of Correction enclosed herewith, with an additional copy thereof and a postal card being enclosed in accordance with the present USPTO practice.

Respectfully submitted,

W. Kevin Ransom
